- Labor Day, Monday September 3
- Thanksgiving, Thursday November 22
- Christmas Day, Tuesday December 25

Utility Bill Scam Alert

We are issuing a warning to our resident customers about possible suspicious phone call activities involving individuals claiming your service will be disconnected for failure to make payment. It can begin with a phone call instructing you to call a toll-free number to make a payment or in some instances, you may be given a “reference code” and instructed to go to a local drug or grocery store where you would be approved to make an “express payment”. You may also be pressured or instructed to purchase gift cards.

The individuals making and receiving these calls **are not** North Fayette Township employees. You will **never** be called by the Township to make account payments or given instructions on alternate ways of making your payments. The Township will only contact you regarding payment matters by US Mail.

If you have received a suspicious call regarding your sewage or trash payment or balance due, we encourage you to call our office at 412-788-4888 or 724-693-9601 during regular business hours, Monday through Friday, 7:00am - 5:00pm. We will be happy to verify the status of your account with you.

As a secure way to verify the status of your account and/or verify if a payment is due, the Township recommends that you either have or create an account with our payment processing service (PSN) via our website.

Fall Collection Event

North Fayette Township will be hosting a Fall Collection Event for disposal of bulk items and electronics on Saturday, September 15, 2018, at 400 North Branch Road, Oakdale, from 8:00am to 1:00pm. There will be fees for televisions and computer monitors and proof of residency will be required. Please watch the Township website and Facebook page for more details or call 724-693-3107.

Changes in Recycling Effective Immediately

Due to changes Waste Management has implemented at its recycling plant, North Fayette will no longer be able to pick up any items with a **Triangle No. 6 or plastic bags** of any type as part of curbside recycling. This means no thin plastics or plastic bags with or without a recycling triangle. We will still accept plastics marked #1 - 5 and plastics numbered #7. Please visit our website for additional information.

Stormwater Fee Information

You may have noticed a new charge on your Environmental Services Bill this month. A Stormwater Fee was enacted by the Board of Supervisors at its July 10, 2018 meeting. Like many other communities across the State of Pennsylvania, we are facing increased costs to comply with the ever-tightening restrictions placed by the Municipal Separate Storm Sewer System Program, a subdivision of the Clean Water Act. For us, this means additional costs of more than \$450,000 every year to achieve compliance and pass random DEP audits.

Several options were considered for funding the program, including a property tax increase, but the decision to apply a fee, much like the sanitary sewer fees, was made so ALL property owners will pay this fee based upon the amount of impervious surface they have on their property (i.e., the amount of storm water runoff they contribute). Additionally, per State law regarding storm water fees, funds generated can only be used to comply with these DEP regulations and nothing else. Monies received from this fee will be placed in a separate fund to complete stormwater projects.

We will be completing several large stormwater projects over the next several years to improve water quality and we will keep the public informed and involved.

A Live Well Allegheny Community
